### UPCOMING EVENTS

#### Ways to be prepared for actions if Mueller or Rosenstein fired

##### **(1) Nobody is Above the Law (INDIVISIBLE SF EVENT, emergency action)**

**Date/Time TBD, Civic Center Plaza, San Francisco**

If Trump finds a way to remove Robert Mueller and/or shuts down the Russian investigation, we will respond by taking to the streets IMMEDIATELY. Should this event happen, we will send out notifications and begin an instant mobilization. Donald Trump is publicly considering firing special counsel Robert Mueller, the person leading the Department of Justice investigation of possible illegal actions by Donald Trump and members of his presidential campaign, and the efforts to conceal those activities. This would be a constitutional crisis for our country. It would demand an immediate and unequivocal response to show that we will not tolerate abuse of power from Donald Trump. Our response in the minutes and hours following a power grab will dictate what happens next, and whether Congress—the only body with the constitutional power and obligation to rein Trump in from his rampage—will do anything to stand up to him. That's why we're preparing to hold emergency "Nobody is Above the Law" rallies around the country in the event they are needed. [San Francisco MoveOn event page](#). If you want to get emergency texts from MoveOn, **text ALERT to 668 366**.

(2) [trumpisnotabovethelaw.org](http://trumpisnotabovethelaw.org)

(3) [Resistbot](#), a tool which helps us connect with our senators and representatives, is offering a streamlined way to help take action, should Special Counsel Mueller be fired. If we text "mueller" to 50409 on our cell phones, Resistbot will tell us where our nearest rapid response rally will be and will help us RSVP for the event so that we can be notified ASAP when it's time to take action. To be safe, you can also sign up at the actual [site](#). Remember, the same goes if Rosenstein is let go. - From [Rogan's List, January 31](#).

### **Malcolm Nance: How Russia Is Destroying Democracy**

**Monday, July 9, 5:30 pm check-in, 6:30 pm program, 7:30 book signing**

The Commonwealth Club, 110 The Embarcadero, Taube Auditorium, San Francisco  
Retired intelligence officer Malcolm Nance knows about Vladimir Putin and the threat he poses to American sovereignty. From the ongoing investigation into Russian interference in our elections to Putin's persistent presidency, Russia has a looming presence. Nance suggests this presence isn't benign but part of a greater plan to break down western democracy. His new book, *The Plot to Destroy Democracy: How Putin's Spies Are Winning Control of America and Dismantling the West*, exposes how Russia has supported the campaigns of right-wing extremists throughout the United States and Europe. By seeking to create antidemocratic sentiment around the world, Nance argues Putin can leverage his strength to build a Russian-led alliance of nondemocratic autocracies. With the future of democracy hanging in the balance, Nance digs into the plans and goals of its enemies. Information and tickets (\$10-\$55) [here](#).

### **The Lives of the Constitution: Ten Exceptional Minds that Shaped America's Supreme Law**

**Monday, July 9, 6 pm**

The Commonwealth Club, 110 The Embarcadero, Toni Rembe Rock Auditorium, San Francisco  
Monday Night Philosophy investigates Joseph Tartakovsky's blend of biography and history, which tells the epic and unexpected story of our Constitution through the eyes of ten extraordinary individuals – some renowned, like Alexander Hamilton and Woodrow Wilson, and some forgotten, like James Wilson and Ida B. Wells-Barnett. Tartakovsky brings to life their struggles over our supreme law from its origins in revolutionary America to the era of Obama and Trump. From Gold Rush California to the halls of Congress, Tartakovsky's vivid Dickensian cast grapples with questions like democracy, racial and sexual equality, free speech, economic liberty, and the role of government. He also chronicles how Daniel Webster sought to avert the Civil War; how Alexis de Tocqueville misunderstood America; how Robert Jackson balanced liberty and order in the battle against Nazism and Communism; and how Antonin Scalia died warning Americans about the ever-growing reach of the Supreme Court. From the 1787 Philadelphia Convention to the clash over gay marriage, this is a grand tour through two centuries of constitutional history and an education in the principles that sustain America in the most astonishing experiment in government ever undertaken. Information and tickets (\$0 (members) - \$20) [here](#).

These are policies that Governor Brown can put in place before he leaves office. More information [here](#).

### **❖Urge State Legislators to Apply for Election Security Funds**

The deadline to do this is coming up on July 16. If we live in one of these states, let's contact our state legislators and ask them to make sure this is done right away. ### **❖Oppose HHS Anti-Abortion Rule**

These rules are designed to make it impossible for patients to get birth control or preventive care from reproductive health providers. It will remove the guarantee that patients get full and accurate information about reproductive health care from their doctor. It will also prevent doctors, nurses, hospitals, etc. from referring patients for safe, legal abortion.

•Submit a public comment stating your opposition to Trump's "gag rule." ([Click the Comment Now button](#)).

•[Email HHS Secretary Alex Azar](#) to express your opposition to Trump's "gag rule."

## **FIGHT FAMILY SEPARATION POLICY**

### **❖Center for Human Rights and Constitutional Law Needs Volunteers Immediately**

The [Center for Human Rights and Constitutional Law](#) is leading the effort to reunite families, and has been granted /2 days to interview 1000 children being held at Casa Padre facility in Brownsville, Texas, July 12-13.

Volunteers are needed on massive scale - please forward to folks you know who are: lawyers, interpreters/ translators, medical and mental health professionals. We will only have two days and 9-12 hours per day to do so. Every interview takes approximately one hour, which means that we will need approximately sixty attorneys, plus interpreters. We need some interpreters to speak indigenous Central American languages as well as Spanish and other languages around the world (last week our team was looking for a Punjabi speaker while interviewing a child at one of the Border Patrol stations). We also are seeking volunteer pediatric medical and therapeutic professionals who can volunteer to provide support onsite both days. Contact [wbinford@willamette.edu](mailto:wbinford@willamette.edu) for information and help with paperwork to get your background check started and the introductions you need to possibly be added to the Flores team."

### **❖Action Items from [Rogan's List, July 4](#)**

❖ Not only is there no process in place for reuniting immigrant families, but there is now a requirement that all adults in the household where a migrant child will reside submit fingerprints to ICE; this requirement has (is meant to?) intimidated many undocumented immigrants, the majority of sponsors. Moreover, the policy manual of the Office of Refugee Resettlement makes sponsors pay transportation costs for both the child and any escort, as well as airline fees charged for transporting unaccompanied minors. Given the unheard of distances these children have been taken, the amounts of money involved are enormous. We can tell ICE and Homeland Security these onerous requirements, preventing the return of stolen children, must be changed: ICE, (New) Acting Director Ronald Vitiello, 1-888-351-4024 or 500 12th St., SW, Washington DC 20536 (<https://www.politico.com/story/2018/06/30/new-ice-director-ronald-vitiello-689504>); Secretary of DHS Kirstjen Nielsen, 202-282-8495

❖ The Dept. of Health and Human Services (HHS) is no longer providing information about children separated from their detained parents. ([PBS article](#).) Given the fact that the Trump administration is under a court order to return children by a deadline less than 30 days away might be a factor. We deserve to know the facts. Let's contact HHS and tell them that we insist on transparency: The U.S. Department of Health & Human Services, Hubert H. Humphrey Building, 200 Independence Avenue, S.W., Washington, D.C. 20201  
Toll Free Call Center: 1-877-696-6775.

#### ❖ **Donate to the Latino Immigrant Families Together (LIFT) Fund**

In response to the humanitarian crisis taking place at the border, Hispanic Federation (HF) has launched the Latino Immigrant Families Together (LIFT) Fund to counter the Trump Administration's policy of separating and incarcerating immigrant families. Through the fund we will:

- Assist unaccompanied minors and children suffering the trauma of family separation
- Provide monetary support to groups that are providing legal and other assistance to immigrant families affected by the Trump Administration's zero tolerance and family separation policy

You Can Help Innocent Children and Families - The Federation believes immigrants, especially those pleading for asylum, should be able to wait for the adjudication of their

claims without being incarcerated and without losing contact with their families. Donate [here](#).

❖ [Temple Emanuel of McAllen, Texas](#) is accepting donations via Paypal or by check (send to 4300 Chai St., McAllen, TX 78504). **Please note "Refugees" on the check memo line** and they will ensure the money goes towards supporting families facing criminal prosecution on the southern US border. Please include information regarding how Temple Emanuel can contact you with thanks.

❖ Support Catholic Charities of the Rio Grande Valley Respite Center through their [Go Fund Me page](#)

❖ **Free the Mothers:** Contribute to the GoFund Me fund to help three detained mothers who have been separated from their children so they can call their children and post bond to be freed from jail. The [National Immigrant Justice Center \(NIJC\)](#) is representing Olga, Marbel, and Morena. Donate [here](#).

**RAICES Fundraiser.** RAICES is the largest immigration legal services provider in Texas. For years, RAICES has been working with some of the most vulnerable members of our society to ensure they receive advocacy and fair legal representation. They have two key goals at this time:

- directly fund the bond necessary to get parents out of detention and reunited with their children while awaiting court proceedings
- ensure legal representation for EVERY child in Texas' immigration courts (last year, 76% of kids (over 13,000!) did not have representation)

Bonds are set at a MINIMUM of \$1500 and are usually in the range of \$5-10K, even for asylum seekers without any criminal history. We are starting our goal at \$1500 and will see how far we get. \$2,520,521 raised of \$3,000,000. Donate [here](#).
